Course Schedule

Week 1 to 3 Bowling Basics & Drills

Everything you need to get you out on the lanes, where to stand & how to deliver the ball. In week 2 we will get you to select your new bowling ball and we will measure up your hand

Week 4: Bowling for Strikes

Learn where to aim on the lanes, using the lanes targeting system & find out what happens to the pins as you ball drives through them

Week 5: Spare Shooting

Learn the 2-4-6 sparing system to pick those pins that get away from your first ball, one of the easiest ways to increase your average

Week 6: Presentation of your own ball

Put all that training together along with your new ball and see the benefits of your hard work. Discussion on bowling options - league bowling, tournament bowling etc

Week 7: Putting it all together

Last week of training for you to iron out any niggling problems. Sign yourself up to your selected league

See the counter staff for details of our next course

Conditions:

1. \$40 is payable upon registration for the course, then \$20 weekly in advance for weeks 1-6 before each nights class. No refunds if bowlers are absent from that weeks bowling. This payment will have to be made up before the next session.
2. The ball offered is any ball valued at \$140 or less, plus drilling charge of \$20 - all selections are subject to stock availability. Bowlers may upgrade to a different class of ball if you wish to pay the difference in value.
3. Bowling balls are presented once the full \$160 for the course has been paid.
Participants may get their balls earlier if they choose to pay for the course in full before the due date.
4. No refund or bowling ball will be given if bowlers abandon the program before week 7 or the full cost of the course is paid.
