Specials, Offers & Timed Play Deals have their own special Powercards and these need to be returned once used.

### Terms & Conditions for offers

- All specials are based on a single game price unless specified, are per person, may not be split.
- For bowling offers with an end time, any sale is based on the understanding that the game stops at offer end/closing time regardless of where play is at and staff may decline sale if games may not be done by closing/end time.
- Lanes for Bowling specials cannot be pre-booked, and offers may not necessarily be available if demand is too high.
